In the green, beautiful Vermio, on Monday morning, the 1227th Solemn Feast of Saint George was celebrated since the founding of the Holy Monastery on Mount Pyrgi in Galiaina of Pontus and the 56th since its restoration in Rodochori Naoussa.

Crowds of people from every corner of Imathia and Eordaia came to the holy temple to participate in the Orthros and the High Priestly Divine Liturgy, presided over by the Most Reverend Metropolitan of Edessa, Pelli and Almopia etc. Joel. This was followed by the award of Prof. Afksendiyos Kalangos, heart surgeon, for his contribution to society and children.

The procession of the miraculous icon of Agios Georgios Peristereos and the Holy Icons of Panagia Sumela and Agios Ioannis Vazelonos followed.
